I am proud to have received my party's nomination to run for re-election as Monroe's First Selectman. I am committed to running a strong campaign that touts our great RESULTS we have achieved over the last four years and your contribution can help me do that.

The truth is that things in Monroe are better than ever. We have made significant improvements to roads, buildings and infrastructure. We have continued to fund our schools appropriately so that our students can succeed. And when our friends in Newtown needed our support, we were there for their children in an instant.

In short, this administrations leadership has gotten things done and we will continue to do so. That is why it is so [important to have your voice heard in the next election.](#)

Nick,

Please print this out for me and bring it to the meeting tomorrow. When I try to print it out at home, it cuts off the email info which I need for my complaint.

Thanks

Sue

III. VIOLATION(S) ALLEGED

DATE(S) OF ALLEGED VIOLATION(S) *(If known)*

July 25, 2013 and August 14, 2013

CONCISE STATEMENT OF FACTS

Please be as specific as possible with regard to time, place, and the individual(s) taking actions or failing to act, and in describing their actions as well as other witnesses or persons involved. If applicable, please clearly refer to the names of identified respondents, witnesses, and attached evidence (e.g., See Evidentiary Attachment B.). If you have identified more than one respondent, please identify which respondent is alleged to have committed which action and which specific alleged violation of the statutes.

If you are unable to provide the specific identity of any witnesses in the following **"Witnesses"** section, please provide as much identifying information as possible in the below **"Concise Statement of Facts."**

The respondent(s) allegedly violated the law as follows:

On July 25, 2013, Steven Vavrek, the first selectman of Monroe, emailed me at my work email at the Monroe Town Hall soliciting a donation for his upcoming campaign for re-election. (A copy of the email attached is Exhibit A) On August 14, 2013, Mr. Vavrek emailed me once again at my work email; this time inviting me to a fund raiser for his campaign. (A copy of the email attached is Exhibit B) I am the registrar of voters in Monroe and Mr. Vavrek is my supervisor.

Mr. Vavrek also sent the same two emails mentioned above to my home email address. (copy of the donor solicitation letter of July 25, 2013 is Exhibit C, and copy of the fund raiser email of August 14, 2013, is Exhibit D) I have never provided my email address to Mr. Vavrek for campaign purposes. I have communicated with Mr. Vavrek using my home email address for Town business purposes and my home email address is registered on the Town of Monroe listserv database for Town of Monroe communications. I signed up for the listserv in order to receive notification about events and information pertaining to the Town, not for the First Selectman's political use.

*Use attached page(s) for additional statement of facts if necessary.
Please check "See attached Additional Statement of Facts" and list the number of pages.*

ADDITIONAL STATEMENT OF FACTS

Page 2 of 2

CONCISE STATEMENT OF FACTS *continued*

I believe Mr. Vavrek has deliberately misappropriated my email address from lists maintained by the Town of Monroe for Town business purposes and used them for his own personal political gain. The misuse of Town email addresses and personal addresses to solicit political contributions from Town employees/ officials is at the very least unethical and quite possibly a violation of state statutes.

Susan A. Koneff

On July 25, 2013, Steven Vavrek, the first selectman of Monroe, emailed me at my (elected official, Board of Education member,) town email soliciting a donation for his upcoming campaign for re-election (A copy of this email attached is Exhibit E) Every elected official in the Town is provided with an email address to conduct official business for the Town. I believe that Mr. Vavrek has deliberately misused my Town email for his own political purposes. While he may state that his campaign is at fault, I contend that since he provided the email addresses to his campaign he is at fault. This misuse appears to me to be unethical and may in fact be a violation of state statute.
